Stretchorz (part of the HTI Group) is recalling the STRETCHERZ STRETCH SQUAD following the identification of a potential contaminant in the sand used within a limited number of products.

Recent testing has identified that the sand-like material inside some products may contain trace levels of asbestos. Whilst we understand the overall risk is considered low, because asbestos should not be present in any amount, the STRETCHERZ STRETCH SQUAD is being recalled as a precaution.

Although we have received no reports of harm, we are taking this action out of an abundance of caution and in line with our commitment to the highest standards of safety and quality.

Customers are advised to stop using the STRETCHERZ STRETCH SQUAD toy immediately and contact our Customer Care team on 0333 0044444, email us at matalancustomer@atalanonline.co.uk
